

DATE: 15 November 2021

**GREEN CERTIFICATE**

All parts handled through enviro-friendly recycling.

This document confirms that Enviroserve has received the following items from your institution that have since been segregated, refurbished dismantled and recycled where appropriate forwarded on to our main licensed facility for recycling:

#	Components	Qty (Kg)
1	Used Lead Acid Batteries	42,666

E-scrap received from: FRES UGANDA  
E-scrap received on: 19.07.2021  
Job Completed on: 10.09.2021

**Enviroserve certifies that the recycling of these materials has not caused harm to health or the environment, either within or outside our facility.**

We wish to thank you for having made the effort to fulfil this Corporate Environmental Responsibility by using a licensed electronic/electrical equipment recycler.

  
**Olivier MBERA**  
Country General Manager
